

# Neutrino 2026: XXXII International Conference on Neutrino Physics and Astrophysics

Jun 21 – 26, 2026  
University of California, Irvine  
US/Pacific timezone

✓ Your abstract 'Noise-aware multi-channel reconstruction for ultra-low-threshold superfluid helium detectors' has been successfully submitted. It is registered with the number #429.

## Call for Abstracts

Opening day

Nov 7, 2025, 2:08 PM

Submission deadline

Mar 1, 2026, 11:59 PM

All presentations are by invitation only. However, you may submit an abstract if you are interested in presenting a poster.

When submitting your abstract, please select the track that best matches your contribution from the available options. If your topic overlaps with multiple areas, you may choose more than one track, but please limit your selection to a **MAXIMUM OF THREE**. Selecting multiple tracks will not influence the review or the acceptance outcome.

Abstracts should not exceed 450 words. Details about formats and logistics will be provided upon acceptance.

You must designate **only one speaker** to physically present the poster. A person may be listed as an author or co-author on multiple posters, but **may serve as the speaker for only one poster**. Please make sure to review the submission instructions after clicking **Submit New Abstract**.

-- THE SUBMISSION DEADLINE HAS BEEN EXTENDED TO SUNDAY MARCH 1 AT 11:59PM PST; THERE WILL BE NO FURTHER EXTENSIONS --

**The call for abstracts is open**

You can submit an abstract for reviewing.
